I. ENVIRONMENTAL PROTECTION PLAN

A. PURPOSE, RESPONSIBILITIES, AND LINES OF AUTHORITY

1. Overview and Purpose

This Environmental Protection Plan was developed specifically for RENOVATE HANGAR 7 Contract # N62473-C19-9801, as defined in the Government-issued documents. It establishes the policies and procedures that will be implemented to ensure compliance with the specified requirements. The Environmental Protection Plan incorporates all documents required by State and Federal Regulation, as well as the RFP, for the protection, monitoring, and documentation of the environment in relation to the project. RSCI shall provide and maintain environmental protection during the life of the contract in accordance with all federal, state, and local regulations governing the construction locations as shown on the drawings or defined in the specifications.

2. General Site Information

RENOVATE HANGAR 7

3. Compliance with Applicable San Diego, CA Environmental Requirements.

Really Smart Construction Co., Inc. will comply with all Environmental Requirements as listed in the RFP.

4. Applicable Federal Acts, Executive Orders, Policies, and Plans.

Federal, State, County, Local acts, executive orders, policies, and plans that effect the scope of this project is:

Federal Acts, Executive Orders, Policies, and Plans:

National Environmental Policy Act
Clean Air Act and Federal General Conformity Rule
Clean Water Act
Endangered Species Act
National Historic Preservation Act
Executive Order 12898
Executive Order 13045
Executive Order 12372

State, Local, and Regional Plans, Policies, and Controls
